Contains PII and sampling data. Please do not release for FOIA, discovery, or to outside parties.

Hi Everyone,

I am attaching some data for DuPont. Please note that this data contains residents' addresses and sampling results, so it is considered PII. Please do not release it to outside parties and please don't send it around the Agency.

Also, I need to get the latest quarterly report. It is currently at work and it should have a CD with it. However, I am going to see if Kathy can e-mail us a copy. The quarterly report I am attaching is from April. I don't think I downloaded the others yet as I have been using the spreadsheets and maps Kathy provides. Thus, I attached the most recent spreadsheets, but the quarterly report may be more comprehensive.

Finally, did Roger provide you with the quarterly report before? Please let me know what you need.

Have a good evening,
Jenny
